INEPT – the English theatre group at the Uni presents

Michael Green´s “four plays for coarse actors” or “anything that can go wrong will”. Watch what happens when an amateur drama group bites off more than it can chew : a social drama turning into a farce : a Shakespeare that is given a wholly new meaning because the props department has run amuck : a murder mystery where the corpse suddenly takes the leading role : and an opera that suffers ever so slightly from the absence of the orchestra and the tenor.

Where – at the university – Hörsaal A 9 pm

Thursday, May 7th

Previous experience :

None required unfortunately. On-the-job training offered on a continually exhausting basis.
